Certificate

Berlin, 02.10.2026

In a certification audit, the organization

CYBERTRON Gesellschaft für kinematische Systeme und Laborautomation mbH

Holzhauser Straße 153, Aufgang C.22, 13509 Berlin,
Germany

demonstrated that a quality management system has been implemented and is being successfully applied, B-24-068-S-RZ, in accordance with standard

DIN EN ISO 13485:2021
EN ISO 13485:2016 + AC:2018 + A11:2021

for scope of application:

Development, manufacture, distribution and repair of customer-specific components and assemblies – autosamplers, injection units and pipetting systems including associated control electronics and software – for integration into devices for in vitro diagnostic examinations.

Valid from 02.10.2026 to 02.12.2027.
